

The procedure for collecting cargo residues by the Recipient of the cargo from the ship.

Pursuant to the provisions of Art. 6 of the Act of 12 May 2022 on Port Facilities for Collecting Waste from Ships, the Port of Gdansk Authority S.A. ensures the collection of cargo residues using the collection facilities provided by Eco Point P.S.A.

However, in accordance with the provisions of paragraph 5 of Art. 25 above-mentioned Act, the Recipient of the cargo from the ship has the right to ensure the collection of the remains of this cargo on its own. In such a case, the Recipient of cargo remains from the ship in the area of the Port of Gdańsk is obliged to:

1. hold a decision in the field of waste management (a permit to collect and/or process waste, in particular waste constituting cargo residues from a ship, or its activity should be registered in the register kept by the Marshal of the Voivodeship in accordance with the provisions of the Waste Act of 14 December 2012;
2. be included in the List of recipients of cargo residues on the premises of the PGA S.A., available on the website at: <https://www.portgdansk.pl/biznes/uslugi/odbior-odpadow/>;
3. submit the documents listed above in advance to the Environmental Protection Department of PGA S.A. Upon positive assessment of the submitted documents, the entrepreneur will be entered in the 'List of companies providing the service of collecting cargo residues from ships on the premises of PGA SA', which is regularly updated.
4. submit to the Environmental Protection Department of PGA S.A. a quarterly notification on the type and quantity of cargo residues collected from sea-going vessels at the Port of Gdansk. Failure to meet the above-mentioned conditions will result in the removal of the entrepreneur from the list.
5. inform the manager of the port of the intended collection of cargo residues from the ship 24 hours in advance by sending by e-mail:
 - a) in the case of collecting cargo residues from the land side, to the following e-mail addresses:
 - odpady-srodowisko@portgdansk.pl,
 - odpady@portgdansk.pl,
 - dowodca.zmiany@portgdansk.pl,a notification containing: the name of the facility to which it intends to gain access, the name of the ship from which the waste will be collected, and the name and surname of the driver, as well as the brand and registration number of the vehicle. Based on the above data, a one-time pass will be issued. In the absence of a notification sent to the above addresses, the Recipient will not be issued a one-time pass enabling entry to the area of the Port of Gdansk;
 - b) in the case of collection of cargo residues from the waterside, to the following e-mail addresses:
 - odpady-srodowisko@portgdansk.pl,
 - odpady@portgdansk.pl,
 - kpgoficer@umgd.gov.pl

a notification containing: the name of the ship from which the waste will be collected and the details of the unit for the collection of cargo residues. In the absence of a notification sent

to the above addresses, the Recipient will not be authorised to collect cargo residues.

6. provide a document confirming the collection of cargo residues from the ship to the following e-mail address: odpady-srodowisko@portgdansk.pl.
